WORLD ENVIRONMENT DAY

Celebration Programme

organized by

Nature Club (IQAC)

Sree Chaitanya College, Habra

On occasion of World Environment Day, Nature Club, IQAC under the patronage of Honourable Principal Dr. Indramohan Mandal of Sree Chaitanya College organised a series of programme dated on 05/06/2022 to 10/06/2022. This one-week programme started with a live National Level Webinar on “Only one Earth” to celebrate the World Environment Day on *5th June 2022* through Google meet platform with approx. 60 participants.

The programme was initiated by the welcome address given by Smt. Gargi Sarkar, Convener of Nature Club-IQAC and Assistant Professor of the Department of Geography. Then honourable Principal Sir, Dr. Indramohan Mandal conveyed the introductory speech to start the proceedings. Dr. Sobhana Palit (Co-ordinator of IQAC) introduced his valuable speech over the theme of the program. Then Dr. Sanchayita Debnath, TCS drew the portrait of this webinar.

In the main session of the webinar, the distinguish speakers Dr. Asok Kanti Sanyal, Former Director-in-charge & Emeritus Scientist, ZSI and Former Chairman West Bengal Biodiversity Board delivered his valuable talk on “The Earth & Sustainable Living” and Dr. Riddhi Mahansaria, Principal Research Scientist, Mend Earth Technologies Pvt. Ltd delivered her valuable speech on ‘Bioplastic:Sustainable alternative to Synthetic Plastic Pollution. The interactive question-answer session proved the success of this live talk. Interactive Session was conducted by Smt. Amarjeet Kaur, Assistant Professor and Miss Mouli Nahar, SACT, Department of Botany. The Whole programme was coordinated by Smt. Amarjeet Kaur. Both of the Speaker delivered their lecture very lucidly and the interactive session was very much enjoyed by most of the participants, which has been reflected through the feedback response of the participants.

Lastly, the webinar was successfully ended by Vote of Thanks which was beautifully delivered by Smt. Rakhi Mitra, member of Nature Club and Assistant Professor of Department of Political Science, SCC.

On *07th June*, Intra-College Quiz Competition was successfully organised where Rounak Roy Chowdhury, student of SEM-IV, Department of English, SCC hold the first position.

Slogan and Poster competition was conducted on *08th June, 2022* where Disha Dhar, SEM-II, Department of Physics and Samima Yasmin, SEM-IV, Department of Geography hold the 1st position respectively.

On the same day (*08/06/2022*) the Plantation programme also successfully conducted at the college premises as well as Boy’s hostel premises. Here the whole programme is glorified by honourable Principal Sir Dr. Indramohan Mandal, IQAC Coordinator Dr. Sobhana Palit and other dignified professors of our esteemed institution. There are the saplings of two mango tree, two guava tree and a Java palm (Jamrul sapling) was planted at the college premises and another three saplings were planted at the hostel premises.

At the end of the whole programme (*10th June, 2022*), Nature Club organised a one-day seminar on Organic Farming, where Dr. Anupam Paul delivered an inspiring talk which gave a new arena of the whole programme. This seminar was inaugurated by Honourable Principal Sir Dr. Indramohan Mandal, Key addressed by IQAC Coordinator Dr. Sobhana Palit and TCS Dr. Sanchayita Debnath. The

programme was coordinated by Smt. Rakhi Mitra and successfully ended by vote of thanks, which was beautifully given by Dr. Kalpana Biawas. The total participants of this seminar were 69 (sixty-nine). All members specially Dr. Kalpana Biswas, Sri Manas Mandal, Dr. Harashit Kumar Mandal, Smt. Asha kumari Mistry gave their constant effort in backstage to make the whole one -week programme successful.
