MESSAGE FROM THE HONOURABLE PRINCIPAL

Reference no. 6573/SCC/NSS/22

Dated: 30th June, 2022

With the entire world recuperating from the ravages of COVID and educational institutions opening after long span of lockdown it is no mean feat on the part of the NSS Unit, Sree Chaitanya College, Habra, affiliated to West Bengal State University to organize programmes mostly online and to participate in other programmes outside the college, bringing back laurels. The vivacity and spirit that such exercises exude leave stupendous impact on the tender minds of the students who were so long lying low mentally owing to long confinements in home that prevented them from the positives of socializing.

During this financial year (2021-2022) for reasons unknown we have not received any fund from the West Bengal State University for conducting regular and special camping programmes. Hence, without monetary assistance we could not arrange any programme properly under the NSS umbrella. That is why I earnestly request the University authority to look into the matter seriously for the betterment of NSS activity in our college. But I would like to express my gratitude to the University authority for providing the essential impetus to this scheme from time to time.

I hope that this NSS activity will motivate everyone in our college and the external local community in the near future. My good wishes remain always with the NSS Unit of our college.

.....
Dr. Indramohan Mandal

Principal
&

Ex-Officio Chairman, NSS Unit,
Sree Chaitanya College, Habra.
